

National Park Service – Teacher Ranger Teacher Program

Mississippi National River and Recreation Area, Saint Paul MN

Approval of the Principal Letter

I support _____ (Name of Teacher) in participating in the Teacher-Ranger-Teacher Program. I understand that an Intergovernmental Agreement between the School District and the National Park Service (NPS) is required. This agreement supports teachers working in National Parks during the summer as park rangers, while developing activities that support the curricula of this school. I will allow this teacher to implement these activities in the classroom with my review and approval. I will also allow this teacher to participate in the April 2011 National Park Week. During that week, this teacher is allowed to wear the National Park Service uniform and give presentations about the summer experience in the parks to the student body of this school. With the support of NPS supplying substitute teachers, this teacher is allowed to visit a few other schools during National Park Week.
